

APO CENSUS

Ilan ba tayong magkakapatid? Panahon nang ating alamin. Isulong ang Census !

For the purpose of coming up with a reasonable and equitable definition of Regional and/or Sectional boundaries, our organization thru the Commission on Membership, is now conducting a census of our organizational units and the demographics of all our members.

For this purpose, we are calling on all GCs, GLCs of all our Collegiate Chapters and Presidents of all Community Based Alumni Associations, both recognized and petitioning, to participate on this census. In addition, Individual Members who are neither a Resident of a Collegiate Chapter nor a member of a Community based Alumni Association are likewise requested to participate on this census and be counted.

There are two ways to participate to this census, either via the internet, or through the traditional mail. If through the internet, an electronic form may be filled up at the following website: www.census.apo.org.ph or by filling up the accompanying form and sending it via email to apo_census@yahoo.com.ph or mailing it to the specified address below. Whichever way you choose to do it, your participation will be greatly appreciated. It is important however, that you read the Frequently Asked Questions (FAQ) to fully understand and please fill-up only once. Deadline for submission is on May 15, 2010. You can help by providing copies of this form.

APO CENSUS FORM
