Sis. Christine "Omma" David
President
APO-Sydney Pet. Alumni Association

Dear Sis. Christine,

This is to inform you that your Petition for Charter Recognition has been deliberated on by the Board of Directors during the 1st EXECOM ad BOD Meeting held at Boso-Boso Highlands Resort and Convention Center, Antipolo City, August 24, 2007.

During that meeting, the Board has decided to return the application due to the following reasons:

- The Petitioning Group is not yet one (1) year in existence
- The Petitioning Group has not yet complied with the required number of service projects

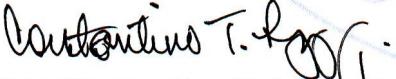

Furthermore, the Board had agreed that the endorsement of the geographically nearest chartered alumni association be included in the requirements for community based petitioning alumni associations. Thus, if APO Sydney will re-apply, it will need the endorsement from APO Australia 75.

Also during that meeting, discussions were made that led to the agreement that no rule should be made on geographical boundary. Although the Requirement for Petitioning Group includes the endorsement of the incumbent Regional Director and the nearest Chartered Alumni Association, non-endorsement should NOT be based on geographical conflict.

Excerpts of the minutes of that meeting may be accessed at the following link:

Please contact us should you have any question.

Yours in Leadership, Friendship and Service,

Bro. Constantino T. Lopez, Jr.
Chairman, APO CoMe
