Belt, among others, seem a feasible plan in enhancing the recruitment of membership of our organization;

WHEREAS, No less than our President Magleo Adriano, during his speech at the induction of new officers of the APO LAWMAN has stressed the need to beef up our recruitment program;

WHEREAS, The "Balik Chapter" program is basically the adoption of an APO Fellowship week as a national and annual event with the purpose of introducing our organization to the students of various universities and colleges, initially within the university belt area through the following schemes, among others:

1. Conduct Seminar, initially for UBA chapters and alumni associations and prepare the module for the seminar; the module will stress on leadership, relevance and implications of RA8049 and implementation of the AIP
2. Conduct a caravan within the route of targeted colleges and universities;
3. Give away the Primer on APO indicating the principles for which it stands for, with emphasis on Leadership, friendship and Service, how to become a member, and the benefits of being a member, to students and university/college professors and the administrations,

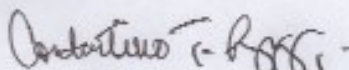

WHEREFORE, for and in consideration of the above premises, the Commission hereby resolves that:

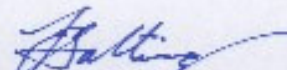

1. A Technical Working Group shall be established by the proponents of the "Balik Chapter" Program, who shall elect and/or appoint from among themselves their respective officers and liaison to the Commission;
2. The Technical Working Group shall formulate, plan and implement the initial "Balik Chapter" Program and shall submit the same to the Commission;
3. The initial implementation of the said program shall be documented by its proponents and shall make a report thereon, including their recommendations on how to improve the said program for purposes of establishing a national policy thereon.
